We are pleased to say that as a class we have donated a total of $128.85 to 2016 Caritas Project Compassion. We have been displaying both spiritual and corporal acts of mercy throughout the season of Lent.

We have been thinking about how we can support people who are not as fortunate as us, and also keeping them in our prayers. We have been learning more about creating a change in the world and most especially in people's lives through our understanding and acceptance. We realise how fortunate we are to live in a safe and caring community, and are so grateful for all we have.

Have a safe and happy holiday, and a blessed Easter. We can't believe that Term 1 is over already, and also can't wait for Term 2 to begin.
